Sir:

Pursuant to the provisions of 37 C.F.R. § 1.322, please enter the attached Certificate of Correction. The prosecution history of the above-noted patent clearly reflects errata in this matter as stemming from Patent Office error. That is, the corrections requested in the attached Certificate of Correction were changes made in Amendment B filed September 5, 2000, in the application history of U.S.P. No. 6,210,610. However, despite the Amendment dated September 5, 2000, the changes directed are not reflected in the issued patent.

Since the errors noted are believed to be the fault of the Patent and Trademark Office, the undersigned is not enclosing the \$100.00 Certificate of Correction fee. If the USPTO believes otherwise, please charge Deposit Account No. 19-4880 the requisite fee.
